**Remarks:** Vince:

While i was at Commo yesterday talking with [REDACTED] and Virginia they mentioned the U.S. Gov't Correspondence Manual (Stock No. 7610-889-3558) which [REDACTED] had brought to their attention. It seems that they are interested in procuring one! The thought occurs to me that maybe we would want to procure several copies through a requisition.

I understand that we have a couple in the office.

4-1 Got two copies from Archives  
NARS expects us to procure
